### HELP SUPPORT CO-OP LEADERSHIP TRAINING

#### *Montana Cooperative Summit Scheduled for March 7-8, 2018, at Fairmont Hot Springs*

Help sponsor our annual statewide training event designed for prospective, start-up and established cooperatives. The Summit is open to all co-op organizers, directors and managers. Each year the event features special pre-summit, "Back to Basics" training workshops. This year's Summit will offer sessions on local food hub systems; capitalizing new ag co-ops; launching investment cooperatives; and organizing worker and housing co-ops.
